Dear Readers,

The following Email was received after our City Departments responded to a large fire in Anna, just south of Oak Hollow on Friday, September 2:

Thank you to everyone involved in stopping the fire just south of county road 367. My house is in the south section of Oak Hollow and my back yard is on 367, so the fire was right across the street. With out the effort of everyone involved I would not be sending this email today, I would be working with my insurance company. All I can say is THANK YOU!!!! May God bless you and your families. Russell—Oak Hollow

Thank you Russell, I have passed your Email to the employees involved.

Another new law that went into effect September 1:

We all know that drivers must move over or slow down when passing an authorized emergency vehicle when emergency lights are flashing. Section 545.157 has been amended to require drivers to also move over when passing a stationary tow truck what has his emergency lights activated.

***Phone numbers: Emergency???? Dial 911.** To have a police officer sent to you in a non-emergency, call 972-547-5350. During normal business hours, the APD number is 972-924-2848.
